

**Dance to Success**  
NORTH TEXAS

**FOR SPONSORS AND FUNDERS**

# Help a school move from interested to scheduled.

Your gift can be the practical bridge between a school wanting Dance to Success and students actually receiving the residency during the school day.

## Funding turns a good idea into dates on the calendar.

Dance to Success brings the Dancing Classrooms program to North Texas schools. Sponsors help cover the real cost of trained teaching artists, coordination with campuses, classroom materials, and access for students.

Students practice respect, focus, and teamwork in motion.

Schools receive a structured 20-lesson residency.

Support can be tied to a campus, cohort, or funding gap.

### COMMON GIVING PATHS

**\$3,500**

Fund one residency section or help a campus say yes to a pilot group.

**\$7,000+**

Support a broader school partnership or multiple student groups.

**Custom**

Close a partial funding gap, sponsor a school already in conversation, or build a civic partnership.

### WHAT FUNDING SUPPORTS

- Teaching artist time
- Campus coordination
- Classroom materials
- Program delivery during the school day
- Access for North Texas students
